We have decided to offer to the Bar/Bat Mitzvahs a small but very meaningful see pic. 1 and personalized see pic. 2 - gift which will accompany them in life and will always remind them of this beautiful day. On top of the uniqueness of this item, (we are the only publishers of the Illustrated Torah) see www.thestudioinvenice.com the price of this item is extremely low if bought in bulk.

We ship everything via courier, it is quick, it is safe and unfortunately it is expensive...But, when we ship in bulk the costs of S&H becomes reasonable.
